

Becoming a Success-Minded Leader Program

Becoming a Success-Minded Leader is a Leadership Development/Coaching Program for Executives, Business Owners, established Directors/Managers, and experienced Project Managers, incorporating our research-based **9 Success Mindsets** of *Vision, Passion, Perseverance, Creativity, Compassion, Risk-Taking, Self-Motivation, Seizing Opportunities, and Positive Thinking*.

Becoming a Success-Minded Leader is a market-tested and proven program that is designed to guide leaders to create inspired and trust-filled environments where the **9 Success Mindsets** can thrive and flourish. Leaders build competency where they, and those they lead become engaged, self-directed, innovative, and accountable and routinely and consistently produce remarkable results.

At the end of this intense and focused program, participants will have:

- Produced a breakthrough in being successful in their life and work.
- Contributed powerfully and positively to their organization.
- Developed habits that all successful achievers practice.
- Engaged a team of advisors that they can rely on as they develop new initiatives.

Course Objectives

- ✓ Master the **9 Success Mindsets** to unlock your leadership potential.
- ✓ Assess your talents through the **Miller Success Factor Assessment (MSFA)** and align your goals with the organization's vision.
- ✓ Reflect on your leadership purpose and legacy while understanding how mindset affects success.
- ✓ Seek feedback and coaching insights to enhance your leadership skills.
- ✓ Develop influencing, communication, and delegation skills to improve team productivity and trust.
- ✓ Lead a **Success Initiative** to impact the organization positively and present the outcomes to a panel of peers and supervisors.
- ✓ Identify and overcome obstacles through self-awareness and self-regulation for continuous personal growth.

Program Timeline

We firmly believe that effective leadership cannot be mastered in a 5-day class. **Becoming a Success-Minded Leader** is a 24-week program that is meticulously crafted to provide participants with 48 hours of comprehensive learning and coaching. This extended duration allows ample time for the concepts to be deeply absorbed and empowers participants to apply their newfound knowledge, fostering the gradual development of highly effective leadership skills.

Becoming a Success-Minded Leader provides learning in 2-week cycles, consisting of three components:

1. Self-paced learning and practice
2. One-to-One coaching feedback on assignments from a Success-Minded Leader Certified Coach
3. Virtual Workshop/Coaching facilitated by a Success-Minded Leader Certified Coach.

A key **Success-Minded Leader** difference is bite-sized content, practice and ongoing coaching feedback that allows for better retention and accelerated growth of our cohort members.

**Self-Paced Online
Assignments and Practice**

**Assignment Feedback from
Certified Success-Minded
Leader Coach**

**Virtual Workshop / Coaching
Facilitated by Certified
Success-Minded Leader Coach**
